

Greetings,

It is with great humbleness, pleasure, and anticipation we submit this informative New Membership Intake Development (NMID) process document in hopes of receiving consideration in becoming a part of your great institution of higher learning as one of your esteemed student organizations.

We appreciate and thank you for the opportunity, as we are willing to show as well as prove to you the benefits of having a chapter of talented members of Mu Phi on your campus, dedicated to the founding principles of Mentorship, Fellowship, and Service. Positive great works within the community are what we strive for daily and it's with great hope you will partake in this endeavor and journey with us, positively enhancing lives!

Best Regards and Blessing,

D'Extra Wiley
Illustrious Chief and Founder
